### About Arch Street Center

Arch Street Center is a recreational and social support facility for adults living with serious mental illness. The Center is open seven days a week, providing a community safe space, two daily meals, and a program that encourages, empowers, and educates our members.

Our members are vulnerable individuals who may not have a safe place to go. Their peer support systems may be at risk and their access to leisure and recreation activities are severely limited.

*By providing a safe, nurturing environment, Arch Street Center helps our members to experience the value and benefits of being part of the community.*

**For our members, Arch Street Center isn't just a place to go... it's a place to BELONG!**

### About The Event – 30 Years in the Making!

Entrance to the event in 1990

This event is Arch Street Center's primary fundraiser, held annually since 1990. We get over 200 prizes from companies, restaurants, area attractions, and individuals. Prizes are all displayed with a fishbowl next to them. As our attendees arrive, they purchase raffle tickets, put them into the fishbowls of the prizes they want to take home. Our emcee draws the winners throughout the event. We offer food, a cash bar, games, and a lively 50/50 to end the event.

2020 marks the 30<sup>th</sup> Anniversary of this exciting event. When it was formed in 1990, it was called the "Rainbow Rendezvous" in celebration of the arch in the Arch Street Center logo. We're bringing the rainbow back again in 2020 in celebration of this event's longevity and success!

**We hope you'll consider sponsoring this colorful occasion!**
